

About Beitou – A Brief Introduction

Beitou Elementary School History

Beitou Elementary School was founded in 1902. It was the first school established in Beitou District. With a history of more than one hundred years, spanning from first to second century, it has cultivated innumerable outstanding citizens and has made marvelous contributions to the development of the country.

When we look back at history, we have been through 13 principals dating back from the Japanese Occupation Period (1902-1945). The founding principal was Mr. Miwa Motoichi. After the Retrocession day(1945) to present, a total of 12 principals led the way successively and Mr. Chen Quancheng was the first principal since 1945. Successive principals strived to ensure that Beitou Elementary School to be innovative and students to be confident and motivated individuals. From the construction of the school sports field, the renewal and change of the school gate, to the stories of learning, including local inspection, reading, Mandarin, abacus, children's drama exhibition, hiking and band, bring out lots

learning, presenting outstanding performance in many aspects, such as basketball, art, reading, sports, and community participation. Integrated management of school affairs has been well proved by parents. Not only successful experiences but also enhanced motivation and confidence base on disciplined and skilled guidance have been built and accumulated, thereupon formatting the school's diligence and fine spirit.

The school has a total area of 24,622 square meters. In 2021, the number of students is about 1,400 (about 220 in kindergartens). The school district is close to the MRT, with convenient public transportation and a mixture of commercial and residential buildings. The community around the school district is rich in teaching resources: adjacent to Yangming Mountain and Datun Mountain, the natural ecology is rich and diverse, and it is close to museums, historical monuments, and park protection areas, and so on.

Looking back on the century-old beauty of Beitou Elementary School, Inheriting innovation, advancing with the times, let us embrace this century-old precious education spirit, with revolutionary emotions, continue to move forward hand in hand. Since 2016, managed to participate in community building through social action learning, such as the commentator of

the hot spring museum, Beitou cultural tour, deep reading courses, art exhibition (chorus, recorder, Taiko, wind music, Yueqin and painting ceramics). The characteristic management plan of the basketball sports class. These multi-faceted developments have effectively connecting, integrating, establishing relationships and discovering meaning, continuing the high-quality image of Beitou Elementary School. Parent-teacher teamwork, innovative management, and the pursuit of excellent educational quality have lead Beitou to a new level and jointly operate a century-old elementary school with humanistic beauty and natural sustainability.
